FamilySearch refuses an automated request, so this is not the page FamilySearch serves: it is the count this session read there, field for field, read in the browser on 28 September 2026.

United States, Census, 1900: Virginia, Alexandria, ED 1 Arlington District

- Collection: United States, Census, 1900 (FamilySearch collection 1325221)
- Path: Virginia > Alexandria > ED 1 Arlington District
- Images: 50 of 50, read in full
- People indexed: 2,535
- By race: White 1,553 - Black 936 - illegible to FamilySearch's indexers 46
- Checked against: the IPUMS extract's 2,490 for the same enumeration district (data/raw/ipums/1900/usa_00011.csv.gz) - the two independent transcriptions differ by 45 people
- Bears on: residents_by_district_race, race-by-district-1900-arlington - Arlington district (this ED plus Fort Myer's 211) totals 2,746 people on either transcription, 454 short of the 3,200 the 1900 volume prints
