TUESDAY EVENING, NOVEMBER 13

LOCAL MATTERS

For this section warmer, fair weather, southerly winds.

THE ALEXANDRIA POSTOFFICE.—Now that Harrison has been elected and the present democratic officials will have to step down and out, the politicians, as heretofore noted in the GAZETTE, are already thinking who will be the man in this section who will control the giving out of the federal appointments and who will be the men to fill them. Some of the Alexandria politicians say they will have a hand in the distribution and it is not unlikely that by the time the appointments are made there will be a general row among them over the offices. There are two factions in this city as there are all over Virginia—the Mahonites and the anti-Mahonites—and they entertain no good feeling for each other, but each faction claims supremacy. The most important office to be filled in this city is that of postmaster, now held by Maj. W. W. Herbert. The salary is $2,300, and for the position there are many avowed applicants, while many others are spoken of by their friends as likely to receive the appointment. Among those named in connection with the position are: Messrs. Park Agnew, L. W. Corbett, D. A. Windsor, A. A. Warfield, F. A. Reid, Lewis McKenzie, F. L. VanAuken and others. Those on the inside say Mr. Agnew could get the place if he would accept it, but that from promises made to Mr. Corbett, who nominated him for Congress, and who took such an active part in his canvass, he cannot stand in his way, and will probably be an applicant for the position of Internal Revenue Collector for this district. Among the many candidates, too, there is a fair that, after all their trouble, none of them will get the coveted place. There exists between the Executive and the Senate a certain comity which, in many cases, is not affected by the rise or fall of political parties. It is that the appointment of the postmaster in the city or town in which a U. S. Senator resides is made upon the recommendation of such Senator, and that if this custom of courtesy prevails there will be no change here, as Alexandria is Senator Barbour's place of residence. The other positions in the postoffice are, of course, at the disposal of the postmaster, who, in distributing them, is governed more or less by the aid he receives from his friends in securing his position. The deputy postmaster receives about $1,200 and the delivery clerk, mailing clerk and assistant each considerably less, but for all these positions, as well as for the places of the four letter carriers, there are numbers of candidates, all of whom, for the reason given above, may be disappointed.

SUPERVISORS' MEETING.—The Board of supervisors were in session at the County Court House to-day; present, A. B. Grunwell, chairman, and Messrs. Frank Hume and Horatio Bali. All election costs were audited and paid. Bill of $400 for filling up the old canal at the brick yards, where the public road passes over, was allowed. The board was officially notified that W. W. Dungan had asked the Circuit Court to be allowed certain costs against the county. Also that Lewis McKenzie had instituted proceeding to inforce in the Circuit Court a tax receipt given him by and signed Benjamin Austin in 1884, for $305, levy on certain land in Alexandria county, said tax never having been paid into the treasury. Mr. R. S. Lacey submitted a proposition to ask Congress for $25,000 to reimburse the county for money expended on the Arlington estate. The board postponed the consideration of the matter until the next meeting. The Board signed a petition asking that a deputy U. S. marshall be appointed on the Arlington estate to maintain the peace and good order.

TILL FAMILY.—This celebrated family of bell ringers, rock and glass players, as will be seen by an advertisement elsewhere, will appear at the Opera House on Thursday night. They come from the Crystal Palace, London, and have a world-wide reputation, having performed in all the principal cities of the world. The rock harmonicon, played by them alone, is acknowledged to be the most wonderful musical instrument of the world. During the evening the company will perform upon twenty different musical instruments, and from the testimonials this company has received from the cities where they have performed a most delightful evening's entertainment may be expected by all who attend. The proceeds of the entertainment will be given to the building fund of the Methodist Protestant Church of this city.

POLICE REPORT.—Last night was clear and cool with four lodgers and two prisoners at the station house.

The Mayor this morning disposed of the following cases:

Jas. Brand, colored, arrested by officers Davis and McQuen for indecent conduct, was fined $2.50.

Geo Carrington, colored, arrested by officers Tayler and Grady for an assault on Edward Johnson, also colored, was fined $1.

DEATH OF MR. SMITH.—Mr. D. P. Smith, of Fairfax county, who was stricken with paralysis a few weeks ago, died at his home, "Wellington," below this city, last night aged 66 years. Mr. Smith came from Poughkeepsie, N. Y., about twenty years ago, and with the late Valentine Baker purchased the Wellington farm. He was an industrious, honest, upright citizen, and his death will be regretted by a large circle of friends and acquaintances.

POTATOES.—From all sections of the country comes the information that the potato crop this year is large but that the quality is inferior. The long spell of wet weather, it is said, is the cause of the inferiority of the potatoes as it prevented them from ripening and made them unfit for keeping. Large quantities of potatoes are being sent here and elsewhere for sale, but in many instances they rot soon after reaching market.

WEEK OF PRAYER.—The inaugural services of the week of prayer were held at the Methodist Protestant church last evening and were interesting and well attended. The singing was led by the union choir—using Mr. Yatman's book. Rev. Mr. Dyot, the pastor of the church, conducted the exercises and Rev. Messrs. Nourse, Vance, Young, Mercer and Bishop also took part. To-night's meeting will be held at the First Baptist church.

STOCKHOLDERS' MEETINGS.—The annual meetings of the stockholders of the Alexandria and Washington Railroad Company, and of the Alexandria and Fredericksburg Railway Company were held at the office of the companies in this city to-day. The reports of the officers of both companies were received and read. The stockholders re-elected the old board of directors of each company, who in turn re-elected all the old officers.

STILL AGROUND.—The steamer Excelsior is still aground on Dade's Shoals, near Upper Cedar Point, where she was run on Thursday night while on her way from this city to Norfolk. This morning the tugs Templar and Potomac were sent to her assistance and will endeavor to pull her off.

MAKING IT HOT.—A crowd of disorderly negroes last night built a bon fire on the old fair grounds and later, headed by a drum, marched about the streets in the upper part of the city. They then went to the home of John Montgomery, colored, who had voted the democratic ticket, and bombarded the house. It appears that all the colored men in this city who voted the democratic ticket are to be "made hot."

DIED FROM HIS INJURIES.—William Smith, the Virginia Midland brakeman who was so badly injured at Bealeton station about two weeks ago as to render amputation of both legs necessary, died at Culpeper Sunday night at the Virginia Hotel. Smith had been on the road but a short time, and formerly worked for the Baltimore and Ohio. He was a resident of Washington.

SCHOOL SUPERINTENDENTS.—The sixth annual conference of the public school superintendents of the State convened in the hall of the House of Delegates in Richmond to-day. Gov. Lee delivered the address of welcome, to which Prof. R. L. Carne, of this city, responded. There are many prominent educators of the State institutions present.

HANDSOME REEL.—One of the hose carriages belonging to the Hydraulion S. F. E. Company has just been rebuilt by Mr. R. H. Atkinson of this city and was to-day turned over to the company. The reel is a handsome piece of apparatus, strong, and is good for many more years service. "She is painted red."

PERSONAL.—Mr. John Perry, who was stricken with paralysis on Saturday last, continues to improve.

LOCAL BREVITIES.

The frost of last night almost equalled a snow.

Tickets for a trip up Salt river are being sent to many of the democrats of this city.

It is understood that a new paper is to be started at Hamilton, to be called the *Loudoun Democrat*. Mr. E. L. Scharf is to be the editor.

The regular monthly meeting of the City Council will be held to-night. It is probable that a readyman on the police force will be elected to night.

The Light Infantry at their regular meeting last night, decided not to accept the invitation to participate in the military ceremonies at the Richmond Exposition to-morrow.

A union prayer meeting will be held at the Baptist Church to-night at 7:30 o'clock.

The taking of testimony in the canal case was concluded for the government to-day. The city will submit the remainder of its testimony this week.

The heirs at-law of the late George Price have sold to Capt. Herbert Bryant a lot on the west side of Union street, between Cameron and Queen, for $350.
