

Women Voters Again Elect Mrs. Simpson

Mrs. Ruby G. Simpson was re-elected president of the Organized Women Voters of Arlington County at their meeting Wednesday at the Cherrydale Methodist Church. This is Mrs. Simpson's second term at this time. She previously served for three years as president.

Other officers are Mrs. Ruth Marcey, vice-president; Mrs. Genevieve Clapper, recording secretary; Mrs. Olive Odum, corresponding secretary; Mrs. Margaret Tapp, treasurer; Mrs. Ethyl L. Cook, registrar; Mrs. Florence E. Cannon, parliamentarian; and Mrs. Nettie H. Warner, Mrs. Sadie A. Sias, Mrs. Edith Simpson, Mrs. Harriet Wismer and Mrs. Tillie Ahalt, membership committee.

The organization went on record as favoring the establishment of a suitable receiving home for women and minors and that the welfare department also study the advisability of establishing a Women's Police Bureau for Arlington County.

A resolution was introduced by Mrs. Florence Cannon and carried stating that in view of the discussion now going on in the county regarding the electric power question, the County Board be requested to ascertain whether it is still the desire of the Braddock Light & Power Company to extend its services further into the county and that, if it is, the board cooperate so that citizens may receive lower rates. It said such cooperation could be carried on by requesting the State Corporation Commission to permit the Braddock Light & Power Company to file additional schedules.

Due to confusion in the recent election for providing "staggered" terms for the members of the County Board, because of what the organization considered "inadequate" wording on the ballot, the group went on record requesting Arlington's representative to the General Assembly and the State senator to see that in the future such ballots carry full information.

The civic committee, under the chairmanship of Mrs. Louise Payne, presented a resolution that was passed asking that all non-conforming zoning regulations be strictly enforced on all property owners without exceptions. They also went on record as favoring the appointment of John Burke on the Arlington Police Force to fill the vacancy left by the death of his father, J. R. Burke.
