

LOCAL MATTERS.

FRIDAY EVENING, MAY 29.

For this section, showers, no change in temperature, variable winds, fair Saturday, except showers on the immediate coast.

THE ELECTION.—Should it ever have been a more quiet municipal election in this city than that of yesterday? It was believed that the entire democratic ticket would be elected as there was opposition for but three offices; viz, Superintendent of Police and two seats in the Common Council for the Fourth ward, and even in these three instances the opposition was supposed to be slight but the result showed that through indifference the democrats in the Fourth ward lost one member of the Common Council, Mr. P. R. Evans having defeated Mr. E. Crook by 5 votes. As stated yesterday the vote was a light one, only 1450 ballots having been cast. But few colored men voted; indeed, their absence from about the polls was noticeable. The weather was inclement throughout the day and in the evening a heavy rain-fall set in and continued till late into the night. Not a single disturbance occurred at any of the polls during the day and at night the rain put a stop to the boys' bon-fires so there was no excitement of any kind. The following is the vote by wards:

In Washington district, Wilson, colored, beat Mr. Phillips, present incumbent, for supervisor, by 26 majority.

DECREES.—The following decrees were entered in the Circuit Court for the county, Judge Kelby, which was in session in this city this week:

Hall vs. Hall, decree appointing A. W. Armstrong commissioner.

Hall vs. Hall, decree for partition of estate.

Smoot & Co. vs. Veitch, judgment for plaintiff for \$275 and costs.

A. P. Feibey vs. M. O. Feibey, et al., decree for partition of estate.

SUITS.—In accordance with a resolution of the City Council, Corporation Attorney Brent has instituted suit against the Virginia Iron Shipbuilding Co. to recover \$2,160 the amount due the city for ground rent and interest on the Pioneer Mills property.

Robert L. Duany and wife, nee Carter, of Prince William county, Va., began proceedings at Pittsburgh, Pa., yesterday, to recover \$50,000 damages from the Pennsylvania Railroad Company. They were on their bridal tour on November 14 last, when they were both injured in a wreck at New Florence, Pa. They spent a honeymoon of over three months in a Pittsburgh hospital, lying at the point of death the first few days. As soon as they were able to travel the railroad company placed a special car at their disposal and sent them home. They lost \$1,000 worth of baggage and spent \$2,000 for medical attendance. The efforts of the railroad company to settle the case have failed.

DECORATION DAY.—To-morrow, Decoration Day, will be observed at the Soldiers' cemetery near this city according to the programs published in the GAZETTE on Wednesday. A delegation from Grant Post G. A. R., from Washington, will come here to take part in the services. They will be met at the depot by Lee Camp Confederate Veterans, who will escort them to the cemetery and assist them in the decoration of the graves of the federal soldiers. The line will be headed by the Alexandria Drum Corps. In the evening the Alexandria Light Infantry will march to the cemetery and fire a salute over the graves of the dead. Capt. J. V. Davis, Superintendent of the cemetery, will have full charge of all the services. Mr. R. T. Lucas will be marshal for the occasion and the ceremonies at the grand stand at the cemetery will be under the special management of Major L. W. Gifford, of Washington.

MASONIC.—The meeting last night of Alexandria-Washington Lodge, No. 22, A. F. and A. M. was largely attended, the occasion being the presentation to P. M. W. Dunlap Stewart, of a very handsome Past Master's jewel. The presentation was made on behalf of the lodge by Past Grand Master W. H. Lambert, who, in beautiful and

eloquent language, recounted the services rendered the lodge by Mr. Stewart during the many years of his connection with it as a member and officer and expressed the feeling of friendship and esteem in which he is held by the members. The jewel is of gold and is not only a magnificent piece of workmanship but the design displays rare artistic talent. One candidate was initiated and three others were elected.

DEATH OF AN OLD LADY.—Mrs. Harriet de Lagnel, widow of Capt. J. A. de Lagnel, U. S. Ordnance Corps, and sister-in-law of the late Rev. Jas. T. Johnston, died at her home on Prince street last night, in the 90th year of her age. The deceased lady was one of our oldest and respected residents, and had lived a score of years beyond humanity's allotted time. Her death is sincerely regretted by her many friends and acquaintances. Like Anna of old, she had attained a great age, and having been a consistent Christian all her life, she has put off the mortal for the immortal and entered the blissful region to commingle with other pious mothers in Israel who had gone before.

POLICE REPORT.—Last night was cloudy and rainy till about 1:30 o'clock. There were two prisoners and two lodgers at the station house.

The Mayor this morning disposed of the following cases:

Dan. Triplett, colored, and Moy Hong, a Chinaman, charged with fighting in the street. Triplett was discharged and Hong was fined \$10.

The police have been requested to look out for a young man named Robert Hamilton, who was arrested at Burke's Station, Fairfax county, yesterday for assaulting and striking F. Dodson with a stone. Hamilton was arrested at Burke's but escaped.

COL. J. J. HICKMAN.—The people of this city will have the opportunity of hearing this polished temperance orator next Sunday afternoon at 3 o'clock at the Opera House. He will lecture under the auspices of the Grand Lodge of Good Templars. He has been in the lecture field for over twenty years, and has spoken in nearly every State in the union as well as in several foreign jurisdictions. He has initiated more members into the order of Good Templars and organized more subordinate lodges than any other man in the order. He served for four years as the chief executive officer of the order in the world.

PERSONAL.—Mr. Basil Brawner, a worthy citizen and true and staunch democrat, although 88 years old walked to the polls yesterday to cast his ballot for the democratic nominees.

Miss Jessie Brown and niece, the Misses Delphine and Sadie Hall, of Winston, N. C., are visiting their relative, Dr. and Mrs. Bedford Brown, on Washington street.

LOCAL BREVITIES.

The wholesale poisoning of dogs continued. Mrs. L. Rebecca Dale, wife of the late John E. Dale, died at her home, Cedar Grove, Prince George's county, Md., last Sunday.

Mr. Thomas Ballenger, while at work on the houses being erected at the corner of Queen and Royal streets, this morning, fell through the joists of the second story and was quite badly hurt.

The dates on the tablet in memory of the late Colonel Huxton recently placed in the wall of the chapel at the Theological Seminary, as published yesterday, were transposed. The date of his connection with the High School should have read 1870 to 1891 instead of 1890 to 1891, and its erection was by the boys of 1890 '91 not 1870-1891.

The funeral services over the remains of the late N. W. Pierson took place yesterday evening at his late home on Washington street and were conducted by Rev. Dr. French of Washington. This morning the remains were taken to New Jersey for interment.

Mr. F. Huffy to-day completed the sale for Mrs. J. J. Carlin and the heirs of the late S. Smith, to Mr. E. S. Leadbetter, of the brick building at the southwest corner of King and Fairfax streets for \$1,500.

The Effect Was Magical.

I suffered from cancer on my lip that defied the skill of the best physicians of the State. I had it burned out, but the operation only made it worse, causing it to spread over more surface and eat deeper in. I finally used Swift's Specific (S. S. S.) to heal it up and drove the poison out of my blood. The effect of the Specific was magical! It healed up entirely without leaving a scar as a reminder. This was over four years ago, and since then there has been no sign of a return of the cancer. I will cheerfully answer any inquiries in regard to my case.
