2026 County Board Meeting Procedures (excerpt)

[Passages of the page that bear on the County Manager's part in the Board's agenda; text between them is not reproduced]

BE IT RESOLVED that the County Board of Arlington, Virginia, hereby adopts the following meeting procedures for Regular and Recessed Meetings of the County Board in Calendar Year 2026: 2026 COUNTY BOARD MEETING PROCEDURES COUNTY BOARD REGULAR AND RECESSED MEETINGS

[...] Recessed Meetings are typically pre-scheduled for Tuesday and begin at 3:00 p.m. with County Board Reports, Appointments, Regional Reports, County Manager Reports, and Closed Session if needed, with Regular Hearing Items (Section D below) and removed Consent Agenda items (Section C below) heard no earlier than 6:30 p.m. that evening. These meetings may be scheduled at other days and times as decided by the Board during the annual adoption of the calendar year meeting schedule at the Organizational Meeting held in January or as needed throughout the year.

The County Manager, approximately two weeks before the Regular Meeting, prepares a list of proposed agenda items for the Chair's consideration. The agenda of every regular Board meeting is approved by the Chair. Any Board Member desiring to add additional items to the proposed agenda must submit them to the Chair at least eight days before the meeting. Members of the public may propose items to be included on the agenda by submitting a written request to the Chair at least two weeks before the Regular Meeting. The Chair decides whether the subject is one that can and should be considered as part of a future Board meeting agenda. Agendas of upcoming County Board meetings are available for public review in the County Board Office no later than Monday, the week of the Saturday meeting, and are posted online. If the Regular Meeting falls on a day other than Saturday, the agenda will be posted on the County website six days prior to the meeting. Agenda materials are distributed to Board Members and made available to the public generally eight days before a Regular meeting, but no later than 72 hours in advance of a required public hearing. Additional "supplemental" materials are provided to the Board and public not later than 24 hours before the meeting. The Board may defer any item for which all relevant information has not been disseminated in the above-referenced manner.

[...] C. Consent Agenda The Consent Agenda may be used for eligible items which may include public hearing items (such as site plan and use permit request; vacations; easements; encroachments; leases and other dispositions of public property; ordinances, plans and policies; etc.) and non-public hearing items, (such as County and Schools appropriations; grant applications; contracts; capital projects; advertisements of public hearing requests; inter-jurisdictional agreements; housing loans; minutes; etc.) These or other items can be recommended for inclusion on the Consent Agenda by the County Manager with the consent of the County Board Chair. Members of the public may remove any item for which a public hearing is required listed under the "Public Hearing Items" section of the proposed Consent Agenda.
