RELIGIOUS SERVICES YESTERDAY.—Large congregations were present in nearly all the churches yesterday. Rev. John Powell preached in Christ Church in the morning and in St. Paul's in the afternoon, Rev. Mr. McCoy in the 1st Presbyterian Church, morning and afternoon, Rev. John Thompson in the 2d Presbyterian Church morning and night, and Rev. Mr. Mirick at the Baptist Church in the morning. The remaing pulpits were filled by the resident clergy. The following is a report of the work done during the day by the Young Men's Christian Association:

"The Mission Sabbath School on St. Asaph street opened with eight teachers and 41 scholas; the usual interest was manifested by the latter in their studies, and the session was closed with the usual address to the scholars. This school suffers for want of a larger room.

"The Mission Sabbath School on the corner of King and West streets opened with eight teachers and forty-two scholars; the latter are making fine progress in their studies, causing great satisfaction to the former. This school is now thoroughly organized and promises grand results in the future.

"The 5:15 Prayer Meeting at this point had but a small gathering, but the exercises were refreshing to the persons present. This activity ceases for the season.

"The Alms House meeting was again largely attended both by the committee and neighborhood the deepest interest pervaded the exercises, and without doubt much good was accomplished.

"At the Jail the services were again of the deepest interest. The committee report it one of the best meetings ever held there.

"The Open Air Meeting and colportage work at the canal basin was again attended with success, and satisfaction to the workers. There being but few boats in the basin, the attendance was less than usual.

"The Open Air Meeting at the tunnel had a large congregation, and a large committee at work. The exercises partook of the large and fervent interest displayed always in this service.

"The Sunday afternoon Prayer Meeting in the Methodist Protestant Church was also fully attended with a full force of the clergy and laity present; the exercises were of the utmost ferver and spirit, and again the youth of both sexes were out in goodly numbers." This prayer meeting will be held next Sunday in the Meth. Episcopal Church.

THE WEATHER.—The damp, cool and disagreeable weather of last week has given place to the clear skies and torrid heat of midsummer, and the result has been a general taking down of stoves and donning of thin clothing. New summer styles were visible in all the churches yesterday, and the envy the most stunning ones occasioned was not compatible with true religious devotion, but allowance will doubtless be made for those in whom the evil passion was excited, for Solomon in all his glory was not adorned like the more fortunate rivals.

ALMOST A FIRE.—A colored man named Chaney, living in the house at the intersection of Pitt and Princess streets, formerly used as the Radical Headquarters for the 2d Ward, was awakened between eleven and twelve o'clock last Saturday night by the smell of smoke, and upon going into the basement in which some drunken colored men and women lay asleep, found that a lamp had exploded and set the place on fire. The flames were extinguished without occasioning any general alarm.

VISITORS.—Of the many persons from Washington who availed themselves of the opportunity afforded by the good weather and leisure of yesterday to visit this city were some who failed not also to enjoy to repletion the delights of a community in which no Sunday law is in force. From the behavior of the four occupants of one landau it is supposed that they had just escaped from a clime where the Maine liquor law exerts its sumtuary effects and were realizing to the fullest extent the liberty they had achieved.

MARKET STALLS ROBBED.—The butcher's stalls of Wm. Holland and Oscar Baggett, in the Market House, were this morning discovered to have been broken open and robbed—the former of about fifteen dollars; the latter, which had been robbed but a night or two previous, of only a few pennies.

FESTIVAL.—The ladies of the 2nd Presbyterian Sewing Society are preparing the Assembly Rooms for their Strawberry and Flower Festival which begins to-morrow night. Their success in giving festivals in the past is sufficient guarantee of what this one will be.

CATHOLIC BENEFICIAL SOCIETY.—At the meeting of the Catholic Beneficial Society held last night an invitation from the Catholic ladies of Alexandria and Fairfax counties, to attend a festival to be held on the 11th and 12th of June for the benefit of a chapel to be erected at Falls Church, was accepted and the following committee was appointed to make the necessary arrangements for the excursion: R. M. Latham, J. T. Hill, T. W. Cole, M. H. Nash, John Donnally and M. B. Harlow.

SUDDEN DEATH.—A colored man named Nelson Wilson, a laborer employed by Mr. Pulman in the construction of the double track of the Alexandria and Washington Railroad, while at work in the cut near Four Mile Run, on Saturday last, was suddenly taken sick, and died in a few moments thereafter. It was at first supposed that death was occasioned by sunstroke, but it is now thought that he died from disease of the heart.

IRON FURNACE.—It is reported that in addition to the iron furnace proposed to be established here by a company to be organized for that purpose, a gentleman who has had some experience in the business contemplates the erection of one on his own individual account, and that having the lot and a portion of the necessary buildings already in his possession, he will commence the execution of his plan at an early day.

THE FISHERY.—The only shores now fishing are those at Sandy Bar, Ferry Landing, Tent Landing, Moxley's and Pamunky, and all of those will have "cut out" on or before the 1st proximo. The few fish that have arrived since Saturday sold at from $4 to $5 per thousand for the herring, and at $8 per hundred for the shad. The sturgeon gillers have commenced operations.

PERSONAL.—Rev. Mr. Mirick preached yesterday morning the closing sermon of the series undertaken for the First Baptist Church during the absence of the pastor of that church. Mr. Mirick has impressed himself most favorably upon all that have had the pleasure of sitting under his ministrations.

BOARD OF PUBLIC WORKS.—Dr. Johnson has prepared a bill, which he will introduce at the meeting of the City Council, to be held tomorrow night, providing for the creation of a Board of Public Works, who shall proceed at once to improve and extend the streets and sidewalks of the city.

POLICE HEADQUARTERS.—The only cases before the Mayor at Police Headquarters this morning were a boy for breaking the glass in street lamps and a man for disorderly conduct in the streets, both of whom were fined and discharged.

Address of President MacMahon—Scenes in the Assembly—The Ex-President—The New Ministry—Tranquility Prevails, &c.

NEW YORK, May 26.—A special from Paris gives the following as the text of President MacMahon's address to the Prefects: I have been called through the confidence of the National Assembly to the Presidency of the Republic. No immediate change will be made in the existing laws, regulations and institutions. I rely upon material order and I count upon you, upon your vigilance and upon your patriotic assistance."

The scenes were extremely exciting in the National Assembly Chamber, pending the discussion, which resulted in the deposition of Thiers and the exaltation of Marshal MacMahon. In the President's box were Madame Thiers, the Prefect of the Department of the Seine, and others who were gesticulating quite wildly and once the Prefect was called to order for the order of his enthusiasm.

The diplomatic corps was well represented. Lord Lyons, British Minister, was not present, being engaged in giving a dinner and reception in honor of Queen Victoria's birth day. Many celebrated women of Napoleon's Court as well as of the republic occupied conspicuous places and remained until the political change was consummated.

As soon as the vote was taken deposing Thiers, the representatives of the different counties immediately left the Chamber and telegraphed the news to their respective governments. Thiers sat a close watcher of events and constantly using the exclamation, "Oh bien messieurs." Once he caused immense excitement when he said, "They have spoken of negotiations when it has occurred to me they only wanted the government to be transferred to Paris; but the army would not enter there. I have repelled them in order to prevent the shedding of streams of blood at the expense of the army. If there is a man who counts the cost of this effusion of blood, it is myself, I have fallen! I rather wish to say, we have fallen. For a long time I had the hope that this detestable faction."—The close of the sentence was lost in the tremendous uproar which the beginning had excited.

Again did Thiers awake the enthusiasm of his friends, when charged with being the protege of radicalism. He retorted, "There was something more remarkable than that in their midst. They had with them the Duke de Broglie, who was the protege of the empire."

No fear of disturbance is apparent in Paris. The people on Sunday in great numbers, giving themselves up to pleasures and caring little seemingly for politics.

PARIS, May 26.—A new ministry is announced this morning in the Journal official. It is constituted as follows: Minister of Foreign Affairs, Duke de Broglie; Minister of Justice, Ernone; Minister of the Interior, Beule; Minister of Finance, Pierre Magne; Minister of War, General De Cessly; Minister of Marine, Admiral d' Hornay; Minister of Public Instruction and Worship, Batbie; Minister of Public Works, Desesrillgny; Minister of Agricuture and Commerce, Bouillierie. There has been no disorder in any portion of the country in consequence of the announcement of the change in the government. Dispatches from all sections report that tranquility prevails. Only half of the troops are now held in their barracks.

The Municipal Election!

The defeat of the Conservative ticket teaches us a lesson it will be well to remember in the future. We see now that had the advice of a certain well-known party been taken the issue would have been quite different; but it is easy to be wise after an accomplished fact. The advice referred to was, that *all* candidates should attire themselves in new, Full Dress Spring Suits, from Mr. Blondheim, (corner of King and Fairfax streets,) and wear them up to the day of election. We can see now that, had this suggestion been followed, it would have resulted in a glorious victory both to the Republican and Conservative parties, and all persons would have been satisfied. Fellow-citizens, do not let this mistake be made in the future.

Look to your Interest!

At this most unprecedented money stringency in our commercial metropolis and correspondingly dull times most all over the country, it well for each and every individual to look to his interest. By paying our enterprising Clothiers, I. Schwartz & Co., at Sarepta Clothing Hall, a visit, you can save at least 20 per cent in buying your garments there; besides the extraordinary advantage of having a variety of styles and patterns to select from, immense in quantity and far superior in quality to any others in this city. They say they will sell remarkably cheap, and, as is generally known, they mean what they say. You will do well to call early at 89 King street, Sarepta Clothing Hall. ap 12

LOCAL BREVITIES.

May flies are beginning to make their appearance—but not, so far, in such numbers as is sometimes the case. This, with us, is an annual visitation—and not an agreeable one. The swarms of May flies which sometimes are seen at this season of the year, the close of the fishing season, are always an object of surprise to strangers. They come from the fish offal, and soon disappear.

The present high price of Government Securities is increasing the demand for first-class Railroad Bonds; and it is not reasonable to suppose that the present difference of from TWENTY to THIRTY per cent can be obtained for any great length of time.

We are recommending for Exchanges or for new investments—

The CHESAPEAKE AND OHIO SEVEN PER CENT MORTGAGE BONDS, interest payable January and July; principal and interest payable in gold in New York city.

Only $3,000,000 of these Bonds will be offered for sale at present. Price 90 and accrued interest.

They are amply secured, and a very desirable investment. The proceeds will be used in adding largely to the present equipment, and in extending the line from its present tidewater terminus at Richmond to deep water on the Chesapeake bay, where the largest steamers in the world can load and unload alongside the cars.

Also, the CHESAPEAKE AND OHIO SIX PER CENT BONDS, interest payable May and November; these bonds are issued in denominations of $100, $500 and $1,000. Price 88 and accrued interest. The road, 420 miles in length, is now completed, and the business offering is very large, and increasing daily.

Pamphlets, giving a full description of the Chesapeake and Ohio Railroad and its advantages, and particular information concerning the agricultural, mineral and mechanical resources; the remarkable coal and iron deposits; and the opportunities for settlement, investment, and the employment of capital and labor in various industries along its route, copies of which may be had, free of charge, upon application in person or by mail.

$10,000 CASH GIFTS PAID IN FULL.

$100,000 FOR ONLY TEN DOLLARS.

ENOUGH of the 100,000 tickets issued for the THIRD GRAND GIFT CONCERT, in aid of the Public Library of Kentucky, having been sold to insure a full drawing, and the wish having been universally expressed that the 10,000 cash gifts offered should be drawn in full and paid in full without any scaling down, as heretofore, the management, with the concurrence of the trustees, have determined to allow ninety days more for the sale of the remnant of tickets left on hand. The concert and distribution advertised for April 8 is therefore postponed to Tuesday, July 8, 1873, on which day, and no other, they will positively and unequivocally take place in Public Library Hall, Louisville, Kentucky.

At this grand concert the following cash gifts will be distributed by lot and paid in full to the ticket-holders who draw them:

Total, 10,000 Gifts, all Cash	$500,000

The money to pay all these gifts in full is now upon deposit in the Farmers' and Drovers' Bank of Louisville, and set aside for that purpose, and can only be used for that purpose, as will be seen by the following certificate of the Cashier:

Office of Farmers' and Drovers' Bank,
Louisville, Ky., April 7, 1873.

This is to certify that there is in the Farmers' and Drovers' Bank to the credit of the Third Grand Gift Concert, for the benefit of the Public Library of Kentucky, five hundred thousand dollars, which has been set apart by the managers to pay the gifts in full, and will be held by the bank and paid out for this purpose, and this purpose only. R. S. VEECH, Cashier.

The party, therefore, who holds the ticket drawing the capital gift will get $100,000 in greenbacks, and so of the $50,000 gift, the $25,000, the $20,000, the $10,000, the $5,000, and all the other gifts, 10,000 in number, amounting to $500,000.

The remnant of unsold tickets will be furnished to those who first apply (orders accompanied by the money always having preference over agents) at the following prices: Whole tickets, $10; halves, $5, and quarters, $2.50; 11 whole tickets for $100, 56 for $500, 113 for $1,000, and 575 for $5,000. No discount on less than $100 worth of tickets at a time.

The concert and distribution of gifts will begin at 6 o'clock on Tuesday morning, July 8th, in Public Library Hall, and the following will be the order of proceedings: 1st. Music by orchestral band. 2d. Placing of tags (one for each ticket sold) in large wheel. 3d. Placing of gifts in small wheel. 4th. Music by orchestral band. 5th. Explanatory remarks by President. 6th. Drawing of first half of gifts. 7th. Music by orchestral band. 8th. Drawing of last half of gifts. 9th. Placing of large wheel with tags in hands of committee appointed by audience. 10th. Grand orchestral concert.

The music on this grand occassion will be the best that can be procured, and the gentlemen who count and place the tags and gifts in the wheels and superintend the drawing and keep the record of the drawn numbers will be chosen from the best known and most trustworthy citizens of the State. All will be so conducted as to be a perfect guaranty against complaint from any just source.

The payment of gifts will begin on Saturday, July 12, at 9 o'clock a.m. Tickets drawing gifts must be presented at room No. 4 Public Library Building, where cash checks upon the Farmers' and Drovers' Bank of Louisville, or sight drafts upon the Fourth National Bank of New York, at the option of the holder, will be given for the tickets. All gifts not called for in six months from the drawing will be turned over to the Public Library fund.
